YEAR 1

Summer 1

English

Key Text: The Way Back Home, Fletcher and the Springtime Blossom
Purpose for writing: Grammar and Punctuation

This half term will see us explore different genres of narrative writing. The children will piece all their knowledge of sentence structure and punctuation together and use this alongside new grammar and punctuation skills to write simple cohesive narratives.
As always, we will place a huge focus on writing cohesively but we will also look at writing with questions and exclamations, using conjunctions such as 'and' as well as explore verb tens, singular and plural spelling patterns.

Computing

Focus: Creating Pictures

Maths

Measure: Length and Height

Weight and Capacity

Multiplication and Division

Fractions

Explorers

Science

Biology— Plants— Bulbs

We will be expanding on our learning from Autumn term. We will build on our knowledge of naming parts of a plant to exploring the direction and sequence of growth from a bulb to a flowering plant. We will explore and name different flowers that grow from bulbs.

History

Christopher Columbus and Neil Armstrong

This half term we will be looking at the significant individual Neil Armstrong. We will look at where the 60s— a huge period of change— fits into timeline and his life and involvement in the space race, We will use sources to explore the Apollo 11 mission then compare his discoveries to those of Christoper Columbus.

Music

Tiber and Rhythmic Patterns

RE

Focus: What makes places sacred?

Art

Focus: Landscapes: John Constable

- Through sketching and paint we will explore the work of the artist John Constable. We will compare his work then use his style to create our own landscapes which reflect our local environment.

PSHE

Relationships

PE

Focus: Net Wall Games, Invasion Games
