Year 3 - What kind of world did Jesus want?

What we already know:
Year 1/2 - 1.4 What is the good news that Jesus brings? Christians believe Jesus brings good news for all people. For Christians, this good news includes being loved by God, and being forgiven for bad things. Christians believe Jesus is a friend to the poor and friendless. Christians believe Jesus' teachings make people think hard about how to live and show them the right way.

What's next?
Year 6 – U2B.5 What would Jesus do? The good news is not just about setting an example for good behaviour and challenging bad behaviour: it is that Jesus offers a way to heal the damage done by human sin. Christians see that Jesus' teachings and example cut across expectations — the Sermon on the Mount is an example of this, where Jesus' values favour serving the weak and vulnerable, not making people comfortable. Christians believe that they should bring this good news to life in the world in different ways, within their church family, in their personal lives, with family, with their neighbours, in the local, national and global community
